PROFILE

ABOUT US

We, Adco International trading and contracting, are one of the major suppliers in Qatar for General Contracting, pipeline materials, safety and firefighting materials, PPE's, Building materials, tools etc...

We are also specializing in General Contracting and Pipeline construction. We are ready to serve our clients with wide range of construction solution and delivering a whole lot of quality work.

We have been supplying and supporting most of the major projects in Qatar. We have established a strong network and relationships with many manufacturers and suppliers across the region.

Our main goal is to understand our clients needs and provide them with a high level of support. With a team of well qualified and highly experienced professionals who have in depth knowledge of the products and the market, Adco international guarantees to cater client requirements at competitive prices.
